

The poster features a vibrant, stylized background with a dark blue starry sky and purple geometric shapes. At the top, a yellow and purple jagged border resembles a mountain range. Various beer-related illustrations are scattered throughout: several beer bottles and mugs with foam are shown floating or falling, some with yellow motion lines. In the center, a white line-art silhouette of a beer festival scene includes a large beer mug, two smaller mugs, and several beer bottles. The main title 'BEERFEST ASIA 2023' is prominently displayed in large, bold, white capital letters. Below it, 'XIII edition' is written in a black, cursive script on a yellow brushstroke. Further down, a red banner contains the text 'ASIA'S LARGEST BEER FESTIVAL', and a purple banner below that reads 'KALLANG OUTDOOR ARENA'. The dates '22 - 25 JUNE 2023' are shown in a white banner. The bottom section features the phrase 'Your digital guide to have' in white, followed by 'A BEER-TASTIC TIME' in large, bold, yellow capital letters with a black outline. It is super fresh, fruity and quenches thirst with an exclusive aroma of citrus, tropical fruits, pineapple, lychee, melon and apricot.

BAD DECISIONS IMPORTS END OF HOPS FRESH HOPS NELSON WCIPA NEW ZEALAND B8

BAD DECISIONS IMPORTS SANGRIA BLANCO SORBET SOUR NEW ZEALAND B8

This sangria blanca sorbet sour is refreshing and fruity, with white grapes, white grapefruit and guava.

BREWLANDER INCEPTION IPA SINGAPORE B17

Our modern spin on a WCIPA, it features a neutral malt canvas that allows the hops to shine through—El Dorado and Idaho 7 hops were used in abundance to impart piney and tropical fruit notes supported by a firm bitterness. Inception is a reminder of the origins of a solid WCIPA before Hazy took over.

BREWLANDER PSYCHEDELIC NEIPA SINGAPORE B17

A New England style IPA, heavy handedly hopped in the whirlpool and double dry hopped with citra and chinook hops. Hazy, juicy and piney, with a soft bitterness and mouthfeel to complete the trip.

BREWLANDER BESTEST DAD AWARD WCIPA SINGAPORE B17

This is for the superhero Dad who works hard, in more than one way. Meet our Bestest Dad Award IPA, a piney, bright and tropical brew infused with Horny Goat Weed & Tongkat Ali.

BREWLANDER NE-VERSARY DDH NEIPA SINGAPORE B17

JUICE JUICE JUICE!!! That's how we'd describe this NE-VERSARY IPA, our big, hazy, and juicy 6th anniversary NEIPA. Here, we switched things up and dry-hopped this twice with Cashmere, Vista and Mosaic hops—Cashmere flourishes in this hop-forward brew giving delicate yet strong fruity notes of lemon, lime, melon, and tangerine, Vista lends a ripe honeydew, papaya and white peach aroma, while Mosaic rounds it all up with sweet and tropical fruity notes of passionfruit, lime and blueberry.

BEER HIGHLIGHTS!

BREWLANDER **PASSIONISTA PASSIONFRUIT HAZY** **SINGAPORE** **B17**

Inspired by a trip the team went on, Passionista is a big, juicy, and passionate hazy that is dangerously easy to have. Expect a fruit-forward, subtly citrusy, sweet, and tangy profile from the exotic passionfruit, further brought out by the juicy aroma from the hops. A proper kick on the palate, (potentially) dangerous to the wallet.

BREWLANDER **KAIJU KINGZ SCALE ALE NEIPA** **SINGAPORE** **B17**

A no-expense-spared New England IPA done up with KaijuKingz, one of the most traded NFT collection, Scale Ale is a big, juicy, and supremely hoppy pour that's brewed with a generous amount of Mosaic, HBC586, and Vic Secret hops, which imparts citrus and tropical aromas such as pineapple, passionfruit, mango guava, and lychee. Within, you'll also find pine-needle fragrance, finishing with a soft bitterness mouthfeel.

BREWLANDER **PRETTY STRONG BELGAIN** **GOLDEN STRONG ALE** **SINGAPORE** **B17**

We chose a unique strain of yeast to shake the fermentation process up, giving the brew a subtle spiciness the likes of clove and pepper, alongside fruity nuances like orange, pear, and lemon. Medium-bodied, balanced with the grainy sweetness from the pilsner malt and slight warming alcohol flavours, this builds into a complex but easy-drinking pour that finishes dry.

BREWLANDER **PHAYA RED IPA** **SINGAPORE** **B17**

Hopped with a series of American hops—Centennial, Chinook, Columbus, Mosaic, Sabro, Simcoe and HBC 586, Phaya Red IPA is an intensely tropical, citrusy with fresh pine aroma, that's dank yet well-balanced.

CROSSROADS BREWING CO. **SIGNATURE ALE** **SINGAPORE** **B11**

A great blend of malts and hops. We love our lagers and we love our ales and this unique pale ale brings out the best of both.

HITACHINO NEST - MENABREA **HITACHINO NEST DAI DAI ALE** **JAPAN** **A64**

Dai Dai Ale is a very unique brew, Kiuchi/Hitachino philosophy with highly focused notes of orange/mandarin, quite dry in the finish. Kiuchi Brewery uses a special, very rare type of orange called Fukure Mikan. Fukure Mikan is a wild mandarin orange with almost 1500 years of history and is only cultivated around Mt.Tsukuba near the brewery.

HITACHINO NEST - MENABREA **HITACHINO NEST RED RICE ALE** **JAPAN** **A64**

Made with Japanese red rice, this beer displays complex sake-like flavours, malt sweet notes and hints of Strawberries. An intriguing mix of sake, malt, and bitter notes in the finish. Please enjoy the rose pink color along with the fruity flavor and aroma.

HITACHINO NEST - MENABREA **HITACHINO NEST ESPRESSO STOUT** **JAPAN** **A64**

Espresso Stout Brewed With Real Coffee Beans. Caramel, roasted, black and chocolate malts provide an explosion of coffee like flavors. The strong espresso character comes from the addition of espresso beans to the boil. There are notes of vanilla, dark fruit, cocoa and chocolate.

HITACHINO NEST - MENABREA **HITACHINO NEST WHITE ALE** **JAPAN** **A64**

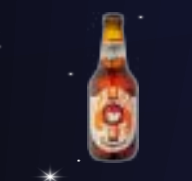

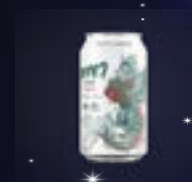

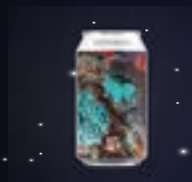

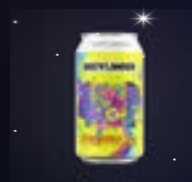

Refreshing mildly hopped Japanese White ale brewed with coriander, nutmeg, orange peel and fresh orange juice. Its citrusy, sweet-fruity-tart (natural acidity of the fresh orange juice) flavor profile makes it a unique Japanese interpretation of the Belgian Witbeer style.

Hops: Perle, Styrian Goldings

Spices: Coriander, Nutmeg, Orange Peel

HITACHINO NEST - MENABREA **HITACHINO NEST MENABREA AMBER** **SINGAPORE** **A64**

Produced using the same techniques and basic ingredients as the Blond lager, Menabreas Ambrata Lager differs by the addition of a proportion of roasted barley malts. These roasted malts add both color and body to the beer and also an enhanced, more robust and complex nose. Over the years, Menabreas brewers have created a beer with a little more alcohol than the lager for reasons of balance, and with an enhanced and more complex flavor profile. This beer has a golden-amber color with bronze undertones. It has a rounded, robust slightly toffee/caramel flavor and nose but has maintained a level of drinkability not usually found in amber beers.
